CREATIVE BUILDERS, INC. SAFETY COMPLIANCE WARNINGS

Creative Builders, Inc. recognizes the importance of safety and we want to remind our Subcontractors to follow the attached safety requirements. If at any point in time during your operations at the job site there is a violation of these safety requirements our superintendents will take the following actions:

1. For the first violation there will be a warning and the infraction must be corrected immediately.
2. During the second violation of the same infraction you will be shut down immediately and will not be allowed to continue working until the infraction is corrected, you will also be fined a \$100.00 fee per person per infraction.
3. If the superintendent has to acknowledge the same infraction a third time you will be removed from the job site and it will be considered a breach of contract on the subcontractor's behalf.

As a subcontractor it is your responsibility to make your tiered subcontractors aware of these guidelines and provide all required insurances. If you have any questions please contact the Creative Builders Inc. Superintendent on site. You can also contact David DeVita our Safety Director 864-905-7835.

*****If the infraction is severe and life threatening the subcontractor will be immediately removed from the job site. *****
